

Mathematical Thinking for Instruction:

Grades 6-12

(MTI 6-12)

Meridian

Professional Development Application

Course Requirements

Participants will receive 3 credits for taking the MTI course. These credits will be paid for by the Idaho State Department of Education. For more information visit: www.sde.idaho.gov.

The 6-12 course will be offered Tuesdays, 4:30 – 9:00pm, Jan. 27 – Mar. 31. There will be no class the week of Mar. 23.

All participants are expected to attend all class meetings. If you must miss a class meeting, please make arrangements ahead of time with the instructor as soon as possible. **Two class absences will result in the participant having to withdraw from the course and take it at a later date.**

Preference for enrollment in the Spring 2009 courses will be given to **teams** that meet the following criteria:

Teams should be made up of teachers from various grade levels and subject areas. Ideally, high school teams should apply with a feeder middle school or junior high. Each team should consist of at least three teachers and include one administrator from each of the schools.

Teachers will also be responsible for taking a pre-inventory of items related to mathematical knowledge for teaching at the beginning of the course and a post-inventory after the course is complete. The results of this inventory will be kept strictly confidential and used only by IDMT staff for research purposes.

Submission Information

Please complete this application and submit to the Institute for Developing Mathematical Thinking (IDMT) no later than **December 1, 2008**.
